

## **2019 Summer Camp Weekly Themes**

**Week 1 - Trails of Texas** - Campers will dive into the history of our great state as they learn and research the many things about the Lone Star State. We will discuss the Alamo, famous Texans, the Capital, oil, Texas Cattle Drive and more.

*\*Tentative Field Trip: San Jacinto & the Battleship Texas*

**Week 2 - Fairy Tales** - This week we will talk about the wonderful fairy tale stories we have all loved from childhood. We will discuss stories like Alice in Wonderland, Cinderella, Jack and the Beanstalk, Hansel and Gretel, Snow White and the Seven Dwarfs, and more. We will have dress up days, activities and many chances to use our imagination as we learn about these classic tales.

*\*Tentative Field Trip: TBD*

**Week 3 - Artful Antics** - This week our campers will not only learn about art history, but they will also learn about artistic techniques and the different uses of artistic mediums. Our campers will get to use their creativity to create pieces of art while they are at camp.

*\*Tentative Field Trip: Painting or Pottery Studio*

**Week 4 - Futuristic Fun** - This week our campers will be exploring the world of science and the exciting field of astronomy. We will do activities to explore and discuss how our world will be in the future.

*\*Tentative Field Trip: NASA Space Center*

**Week 5 - Vacation Bible School** *\*Tentative Field Trip: TBD*

**Week 6 - Stars & Stripes** - God Bless America! This week our campers will have fun patriotic activities and we will learn about the people who serve and protect our country, us and the freedom we enjoy. We will prepare and host a Talent Show on the Friday of the camp week for all to come and see our amazing talents.

*\*Tentative Field Trip: TBD*

**Week 7 - All Ball (Sports)** - Baseball, Soccer, Volleyball and more! How many sports can we fit into one week? Each day the fundamentals of a different sport will be explored with camp counselors. We will learn team work, leadership, and good sportsmanship.

*\*Tentative Field Trip: Minute Maid or NRG Tour*

**Week 8 - Greek Greatness** - Go for the Gold! During our Greek week, our campers will learn about Ancient Romans and Greek Mythology. We will have activities that include events from the Olympic Games, the world of Ancient Greece, mythological dress up days and more.

*\*Tentative Field Trip: Museum of Natural Science*

**Week 9 - Christmas in July** - We will deck the halls with joy and cheer during the heat of summer! We will learn about the coming of Jesus as well as the fun of Santa and his Elves. We will make some fun Christmas crafts and enjoy holiday treats.

*\*Tentative Field Trip: Miller Outdoor Theatre or Memorial City Mall Ice-skating Rink*

**Week 10 - Symphony of the Five Senses** - This will be a fun, new week for campers. We will have crafts, games, activities and short lessons that teach the campers about our senses of sight, smell, touch, hearing, and taste. We will focus on how we trust our senses to help us with daily activities.

*\*Tentative Field Trip: Blue Bell Ice Cream Factory*

**Week 11 - Fiesta Week** - Our last week of summer camp will be a big CELEBRATION. Each day will be a new event or party to help us finish off summer with TONS OF FUN before we start our new school year.

*\*Tentative Field Trip: Build-A-Bear*

*\*Field Trips are all subject to change and will be booked on the basis of age of campers and chaperones.*

*\*All campers, PS - 5<sup>th</sup> grade, will be able to participate in scheduled Splash/Waterslide Fridays in camp if ratios permit.*
