Enroll your 1st through 4th grade student in Coach Sam's new sports enrichment program! Sportstars is a great program we are starting this year in which sports will be broken down and students will be taught the basic skills necessary to compete at the middle school level. Basketball, Baseball, Flag Football, Soccer, and Volleyball are the core sports we will be focusing on. In addition to these, we plan to cover Tennis, Hockey, Dodgeball, Kickball, and Bowling to round out the curriculum. All of our lessons are age specific. We will form a solid foundation of healthy living and physical well-being through sports activities in a fun team building atmosphere.

Open Enrollment All Year!

Prorated cost of program: \$50/month

Makeup Days due to inclement weather will be on Fridays.

Fall Session
August - October

I authorize Sam Akaweih to instruct my child in Sportstars classes. I understand that the program is a sport based class in which physical activity is involved. I will not hold Memorial Lutheran School or Coach Sam accountable for any injury that may occur during his class. It is my responsibility to dress my child appropriately and inform Coach Sam of any health problems my child is experiencing. I am aware that my child will continue classes unless I inform him of any changes (preferably in writing). Two weeks' notice is required.
