Sophomores, Juniors and Seniors are allowed to drive to school as a matter of privilege, not of right. All who wish to drive to school must follow the Student Driving and Parking Policy, register their vehicles with MLS, and receive a parking tag. A student who is in violation of the driving policy may lose his/her parking privileges and have his/her vehicle towed at the owner's expense.

Please read the following rules and regulations and supply the necessary information below. Sign and return this completed form in order to obtain a parking tag.

MLS STUDENT DRIVER POLICY

1. Student drivers must be a Sophomore, Junior or Senior and meet all "Academic Eligibility" requirements as outlined in the Family Handbook.
2. Each vehicle that a student drives to school must be registered every school year. Forms are available on the school website and must be returned to the Director of Student Services. Students must provide a copy of their driver's license, insurance card, and registration. This permit is transferable to any vehicle the student drives as long as the information is updated with the Director of Student Services.
3. All students driving to school **must** have the official parking tag prominently displayed from the rear-view mirror and will park in designated student parking spaces only.
4. Students who arrive early are to enter the building immediately. There is to be no loitering in the parking lot. Students are not allowed in the parking lot during the school day unless permission has been obtained from the front office.
5. Excessive speed and unnecessary noise are to be avoided. Keeping speed at or under 10 mph in the parking lot contributes to the safety of our students and community.
6. MLS reserves the right to inspect and/or search any motor vehicles driven by students onto school property. The interiors of student vehicles may be inspected whenever a school authority has "reasonable suspicion" to believe that illegal or unauthorized materials are contained inside. Such inspections may be conducted without notice and without a search warrant.

I have read the above information and agree to abide by the driving and parking regulations. By signing this document, I give express consent for any search of the vehicle's interior when deemed necessary by the school administration.
