# MEMORIAL LUTHERAN SCHOOL

## DRESS CODE

MLS is a classical, Lutheran school with a unique culture of discipline, tradition, and excellence, and the dress code and uniform policy are designed to support and reinforce these values. Modesty is a virtue for boys and girls, men and women, and the faculty and staff of MLS understand it to pertain both to covering appropriately and to avoiding ostentation. All individuals on the school campus must be fully and modestly dressed.

All students in Preschool through 12th grade are required to wear daily and full dress uniforms, supplied by [Lands' End](#), using school number 900153529. If suitable uniform pieces are found elsewhere, such as uniform khaki (non-cargo) pants or polos, MLS monogramming is also available from Astro Apparel and Uniform (713-975-0787). Complete uniform details are accessible on the online Parent Hub.

There are some minor changes for the 2023–2024 school year and following. Also, please note that our uniform pieces are not intended to mix and match beyond the included descriptions.

Hair should be kept clean, neat, and trimmed, including facial hair. Hair styles should be in good taste and conservative in style. Any distracting hair style or accessory, including dye, bangs in the eyes, or boy's hair below mid-ear or collar are not permitted. All decorative hair ornaments must match the colors of the uniform (uniform plaid, black, white, green, and navy).

No distracting clothing or accessories are permitted. Only girls may wear earrings and they are restricted to a single pair of studs or posts in the lobe. In sixth grade, girls may wear makeup, but it may not be excessive. Girls not adhering to this policy may be asked to remove the makeup immediately. Tattoos (temporary or permanent) are not permitted.

All clothing is to fit appropriately. **All shirts must be tucked in, except at gym or recess.** Children grow and that should be kept in mind when ordering. Boys must have shirts and pants that actually fit. Girls must wear dresses and skirts that measure no shorter than 1-inch above the knee. If there is a growth spurt, girls must wear leggings until the next size arrives. **Also, please note that cartwheel shorts or leggings are to be worn every day under dresses and skirts.**

Shoes are required at all times. Shoes are not to exceed typical heights: no high heels, platforms, etc. Shoes are to be closed-toe, solid black, solid white, or a combination of black and white with no color or sparkles, included logos. Dress shoes, when worn, should be solid black, solid white, or a combination.

Any time swimsuits are allowed, suits are to be modest, and, as a school, we prefer rash-guard tops to prevent sunburns and student mischief with sunscreen. Water shoes of any color are required for Splash Day.

The faculty and administration reserve the right to require students to modify any elements of dress or appearance that are inconsistent with the culture of the school. Teachers recognize distractions. Deans and the headmaster determine questions about good taste.

### UNIFORM EXCHANGE

Gently used uniforms may be turned in to the school office. Collecting these generally allows for several Uniform Exchange Days throughout the year. Shopping at the uniform exchange is entirely free. Families may also contact Ms. Terri Boyd if uniform needs arise.
